

pared, will provide a perfect sewerage system for the people of the First municipal ward. This sewer will also drain the lower portion of the city, and make it more healthful and more desirable as a residence district. It will cost \$150,000 and although the people of the First precinct will receive the benefits, the cost will be borne by the taxpayers of the entire city. Besides securing the appropriation of this \$150,000 for sewers in the lower portion of the city, Mr. Hewlett secured an additional appropriation of \$28,000, which sum is to be spent exclusively for perfecting the sewer system of the First municipal ward.

J. W. CURRIE.

Republican Candidate for the City Council for the Long Term from the Second Precinct.

The Republicans of the Second ward did well in nominating Mr. Currie to represent them and the remaining few of the residents of the ward, in the city council. Mr. Currie is a man of standing, a business man just such a man as is needed to give the city a business administration.

J. A. EKMAN.

Republican Candidate for the City Council for the Short Term from the Second Precinct.

It is always desirable in selecting delegates to legislative assemblies to choose men who are substantially in-

terested in the welfare and progress of the people whom they represent. The Republicans of the Second precinct had this in view when they decided on J. A. Ekman as their candidate for the city council. Mr. Ekman is in business in the ward, has extensive interests there and the welfare of the district is his welfare. He is a conservative, upright business man,

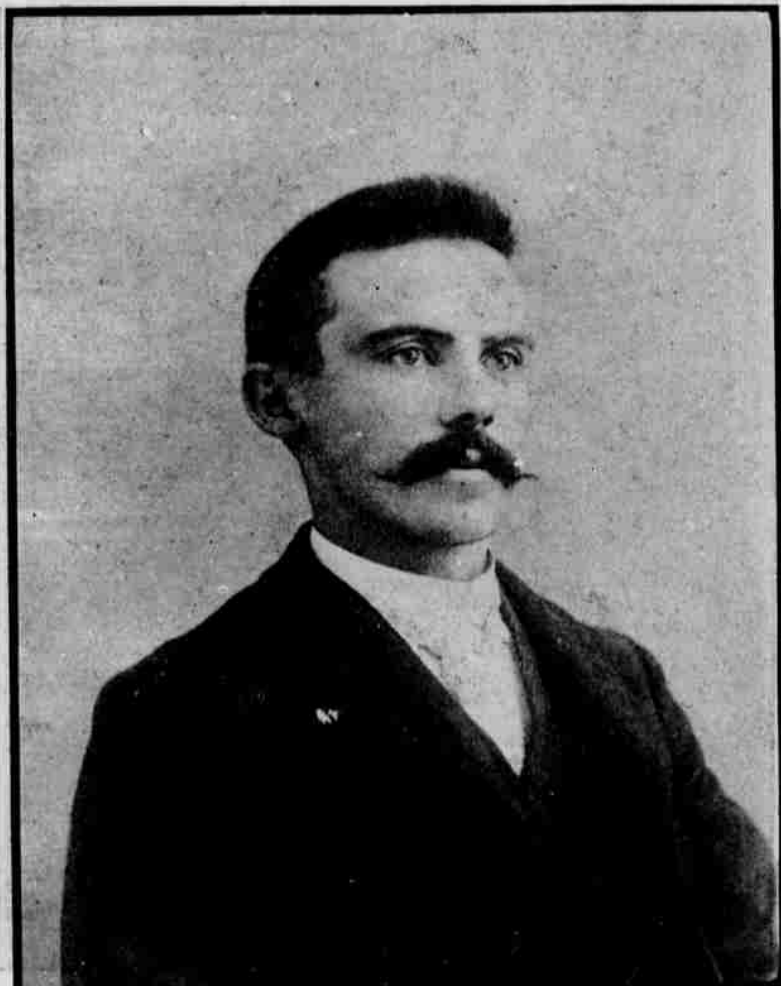

worthy of the confidence of his friends and neighbors.

T. A. CALLISTER.

J. A. EKMAN.

He is a Republican from the crown of his head to the soles of his feet. He knows the Third precinct like a book. He knows several things, a good many things, in fact, about the city as a whole. He is honest and fearless and opposed to graft and jobbery. He will be elected and will not betray his trust.

WALTER J. BEATIE.

Republican Candidate for City Treasurer.

It is of the highest importance that the man who handles the city's funds, amounting to millions of dollars annually, should be a person of the highest integrity and also should be endowed with financial ability. In these respects Mr. Beatie is an ideal candidate for city treasurer. He is a man of middle age and mature judgment. In the commercial world he has distinguished himself, having had full charge of the finances of some of the largest and most wealthy mining companies of the state, always to the advantage of the companies. Personally he is a man of charming demeanor and inspires confidence and gains the good feelings of those he comes in contact with. Mr. Beatie is one of the most highly respected citizen of Salt Lake and it is fully expected he will run well up to the highest man on his ticket.

E. F. PARRY.

Republican Candidate for the City Council for the Short Term, Third Precinct.

Mr. Parry is a modest man, so modest that he doesn't want his picture in any paper. He's not such a bad looking fellow either. He is an honest man, even so honest that his honesty extends to politics. The Republicans of the Third were determined to carry their precinct this year and that's one of the reasons why they nominated Mr. Parry to represent them in the city council, and he will do it well.
